

Family Care Connection

A partnership of UPMC Children's Hospital of Pittsburgh and the Allegheny County Department of Human Services with families and local communities

Family Care Connection is a strengths-based family support program that works in partnership with families to meet their needs and help children achieve brighter futures.

Our centers are community hubs where parents with young children can connect with other parents. We offer services, programs, and activities that reflect, respect, and enhance the culture of the neighborhoods where families live, work, and play.

All programs and services are free and voluntary.

Supporting families through:

CHILD DEVELOPMENT programs that focus on cognitive and social development of children

HEALTH AND WELLNESS programs that promote a healthier lifestyle

ADULT EDUCATION programs that focus on gaining knowledge and skills

PARENTING programs that guide parents on how their children learn and play

HOME VISITING services that provide direct support to families

COMMUNITY ENGAGEMENT activities that bring together family and community resources

Evidence-Based Programming for Children

- Infant groups for parents and children 0-12 months
- Toddler groups for parents and children 1-3 years
- Kindergarten readiness for children 3-5 years
